

# One-on-One Online Lightroom Course

## Description:

Do you wish to improve your editing and photo management skills with Adobe Lightroom? Book your One-on-One Lightroom course with Ernest Porter of Eagle Eye Safaris to learn how to enhance and catalog your images so that you can push them to their full potential. This course will focus on, but not limited to:

Setting up Lightroom	Advanced Exporting
Importing into Lightroom	Different methods of viewing photos to check the effectiveness of editing
Lightroom Previews	In-depth look at the Develop Module
In-depth look at the Library Module	Collections and Smart Collections
Advanced Keywording	Virtual Copies
Flagging, Rating, and Filtering of Photos	Setting up and using Presets
Stacking photos	Editing in Photoshop through Lightroom

At the conclusion of this course, you will be able to import, export, edit and manage your photos so that you can find a specific photo within a few seconds and enhance your photos to their full potential.

**Location:** This course is online via Zoom / Skype / Microsoft Teams etc. We usually do this course by means of a few sessions. We will arrange the date and time of sessions to fit with your schedule.
